Good Evening everyone,

As many of you have heard,
we are under current scrutiny
from the US Government.
They have instructed me to let
this process take its course
prior to speaking with you all
about it or speculating about
its outcome.

I love and cherish each of yo
u. Thank you for your patience
in this matter.

Todd

Give me 10.

Holy shit, it looks like I should
get an attorney.

I would greatly appreciate it if you would respond to my message. I want to change my life insurance deduction and take \$ out of that account. I also want to know that my investments are safe, due to lack of responsiveness I'm getting very concerned about Drive Planning.

Is there another advisor I should be working with?

Regarding ur life insurance with Penn mutual1 [\(800\) 873-7654](tel:8008737654). I have resigned by position with drive and have legal counsel... I am not allowed to speak on any drive terms or contracts.

Ok. Can you point me to another advisor?

Ducci - Mary has not responded to my emails and I'm getting concerned that I am not going to get my funds. Is there anything you can do?

I'll try but I do not get back until 6/23

Ok. Do you have Mary's phone number?

Sorry I don't

Is there chance I will not get the \$?

This isn't acceptable.
